Porter Ministry eLearning Course

Welcome to the Porter's Ministry eLearning Course. It's all about Doctrine, Duty, Division and Distinction. This course is an explorative study on the porter's ministry as a watchman over the city, and the porter's authority to bind and loose the works of darkness in order to release the kingdom of God. To be able to prepare the atmosphere for any given event, each porter must also prepare themselves by completely giving their thoughts and heart to the move of God in that moment. It requires a shift in the attitude of thinking of everyone else's needs only.

Note: There are no prerequisites to enroll in this course.

Kingdom Culture eLearning Course
